## Sizzler Features:

### Multiple Burners

The Sizzler has four main stainless steel burners on the grill with an additional infrared back burner. It also has a useful side burner for cooking your favourite sauces and vegetables.

### Motorised Rotisserie Spit

The integrated motorised stainless steel rotisserie makes it simple to cook that spit-roast your family with love.

### Stainless Steel Hood

The Sizzler comes with a stainless steel hood. The built-in thermometer gauge allows you to regulate the temperature for that perfect slow cooked roast.

### Glass-fronted Lockable Fridge

The Sizzler fridge is ideal for keeping your favourite ice-cold drinks to hand. The door-lock helps keep out any unwanted guests!

### Built in Sink

Every Sizzler comes with its own built in sink to make even cleaning up easy.

### Portable

The free-standing Sizzler can be easily moved in to position with its lockable castor wheels.
